

2024 Articling & Summer Students, Winnipeg

Team culture. Client success. Career excellence.

The greatest strength of MLT Aikins is the people who work here. With a team of more than 300 lawyers across six office locations, we are a group of unique people committed to a culture of collaboration, client service and the highest standards of professional excellence.

We see our students as not only future lawyers but as our peers and potential future partners. Our student program and mentorship focus are tailored with this in mind and aimed at providing exactly what you need as you start your career. From the outset, we are invested in your growth and development – both as a lawyer and as a person.

What does articling at MLT Aikins look like? Opportunity. Engage in complex matters that allow for meaningful participation and learning opportunities. Explore the practice areas that interest you most with the support of experienced and demonstrated leaders. Take on new challenges that align with (and help you discover) your strengths and goals. All guided by a collective pursuit of exceptional quality and client service.

MLT Aikins is the people-first place to learn and flourish.

The Manitoba student experience

Be part of a supportive, high performing team.

Collaboration drives success. We work together to fuel growth and success for our clients and each other, creating meaningful opportunities to learn, contribute and add value. With a strong team-first approach, you'll be supported as you take on challenges, develop your skills and deliver exceptional client service.

Learn from experience.

Here you will have the opportunity to learn from a range of junior lawyers and senior partners alike. They are there for you as much or as little as you need to progress.

Join the pursuit of excellence. We are committed to exceeding client expectations and developing great lawyers. Be part of a team that fosters professional growth and helps you to achieve your goals.

Accelerate your development.

With exposure to many practice areas and diverse clients, you'll learn how you work best and identify your best fit. Our facilitative approach and entrepreneurial culture mean there will be nothing holding you back from taking on the next challenge when you're ready for it.

Dive right in.

From day one, you'll contribute to meaningful work with real impact, while being supported every step of the way. You'll gain hands-on experience, collaborate with experienced professionals and grow in a team that values your development.
